When you qualify for a free Challenge Pack, you will be notified by FreeLife by the 5th of the month. At that time, you will have the opportunity to customize your Pack's flavours through the 15th of the month. If you choose not to customise your Pack, FreeLife® will create a Pack and ship it to you. Your free product counts toward your personal qualifying Points for the month and for bonuses, title advancements, and qualifications in the Compensation Plan. However, the rebate (including your rebate tier), 9-level commissions, and the Ambassador Generational Bonus are not paid on the free Pack since it is free. Limit 1 free Challenge Pack per person, per month. Shipping charges apply on the free Challenge Pack. Additional add-on products by your Customers do not count toward Body for Free™ Program Points.
